

## Emmaus Fall Kickoff

The community will be having its Fall Kickoff Event on Friday, September 16th at 8:00pm at First United Methodist Church (FUMC). Pizza, salad, dessert and drinks will be provided. We will also enjoy the music from Homeward.

During the evening we will also have a short training on Sponsorship by Tom McGillvary, Russ Fagg and Jane Smart. The shared information will be helpful for those who plan to Sponsor a Pilgrim to the upcoming Walk and Chrysalis Weekends. There will be childcare provided for those who are in need.

The Fall Kickoff is a time the Board of Directors has put together to bring the Emmaus Community together as preparations for the upcoming weekends are kicking into high gear. There will be opportunities for serving during the weekends presented as well.

As you know, it takes many of God's faithful

servants to put on the weekends and there can never be too much help.

Please take time to look on our website under Community for our Volunteering page. There is a description of the many areas that you can serve the Pilgrims and our Community.

## New Chrysalis Website Launch

We are excited to announce that on September 15, 2016 we'll be launching the new Chrysalis website. You will find it at [billingschrysalis.com](http://billingschrysalis.com). Please visit and share the website with Community members.

You will find our new online registration, information on Hoots and opportunities to volunteer for the Chrysalis weekend. To navigate the locked portions of the website, the password is decolores.

Chrysalis is still putting together committees and team. If you are interested in participating during the Chrysalis weekend, please email us at

# Updating Your Contact Information

The Emmaus Board of Directors is asking everyone to please check their contact information in the IMS website database. The Walk uses this website to send email blasts, weekend information and prayer requests. Below is the website information. If you have never setup a login before or you have forgotten your password, enter your email address into the User ID and select the button Forgot Password. You will receive an email with a password that will allow you to log into your account.

Once you have logged into the website you will have a menu across the top of the web page. Put your cursor on You from the menu and select All About You on the displayed pull down menu.

There will not be a new menu added below the original menu. Put your cursor over the menu item Information. On that pull down menu you can select Name/Contact. This will bring up a page that has all of your personal information. You can update your mailing address, phone numbers, church, birthdate and email address. Please complete as much information as possible. Click the button Update Information to make the changes permanent.

You may also change how you would like to be contacted by the Walk. Once again put your cursor over Information and select Options from the pull down menu. This will allow you to select what types of information would like to receive as well as how you would like to re-

ceive that information. You may also select on this page if you would like your information shown to the community or not. Make sure to press the button Save Changes to make the changes permanent.

Feel free to explore the other information available to you. One interesting option is under the menu item Connections the submenu option of Weekend will give you the information of all the Pilgrims and Team members that participated in your Walk weekend.

Lastly, please use the Verification menu item to let us know that you have check, updated and approved of your information in the database.

If you have any problems or questions, please email us at [info@billingsemmaus.com](mailto:info@billingsemmaus.com)

## We Need You!

Between the Walk to Emmaus and Chrysalis weekends as a community we have successfully held over 120 weekends. Of those 57 have been Chrysalis weekends where boys and girls attend the weekend simultaneously.

The number of lives blessed by the

love and grace of God through these weekends are countless. As a ministry of the Upper Room we are called to hold weekends that are ecumenical in nature to empower leaders so they can return to their churches having literally experienced God's love and grace to share with others.

As preparations continue for the upcoming weekends, I would ask that you prayerfully consider sponsoring either an adult or a high school teenager to the appropriate weekend and allow them to have the opportunity to experience the love and grace of God first hand.

*"Between the Walk to Emmaus and Chrysalis weekends, our community has successfully held over 120 weekends."*

May God bless the Head Tables, Teams, Background Servants and each and every one of you. For applications go to either [www.billingsemmaus.com](http://www.billingsemmaus.com) or [www.billingschrysalis.com](http://www.billingschrysalis.com).
