## What is a Christian Testimony?

A Christian Testimony is the personal witness of someone relating how God has brought them through a difficult time or situation and how they built their faith in Him through that experience.

It expresses how a person can be transformed and that one's Christian faith is not a fantasy but a way of life.

The following testimonies, while not implying that you may have the same experience, demonstrate the hope that your life can be enriched through the Walk to Emmaus.

*"My 'Walk' was a life saving experience. This journey took my broken life and started to repair it as I nailed my life's past damage and sin to the cross."*

*"Experiencing the Walk to Emmaus for my wife and myself has been the single greatest decision we have done in our 25 year marriage."*

*"I realized that I had not been living as a Christian, but only pretending. During the 'Walk' I felt a total surrender to His love, His forgiveness, and His unmerited Grace."*

*"What touches me about the Walk to Emmaus weekend is how men's hearts are softened and minds opened as God reveals his grace to them."*

*"The Walk to Emmaus was able to show me how God and others cared about me in a way I understood. I didn't have to 'earn' love the way I'd grown up to believe."*
